On August 3, 2016, the offender signed his Judgment and Sentence noting he understood he was not to use controlled substances. The offender also signed his Treatment Services Contract Plan noting he understood he was to call Serenity Point Counseling Services daily and report for random drug testing when his color was called.

On December 20, 2017, the offender's color was called and he reported to Serenity Point Counseling Services for testing. The sample returned presumptive positive for amphetamine and it was forwarded for confirmation. The sample was confirmed positive for the presence of methamphetamine on December 23, 2017.

The U.S. Probation Office respectfully recommends the violation be incorporated with the violations alleged in the 9/20/2016 and 12/26/2017 violation reports.

I declare under penalty of perjury that the foregoing is true and correct.
